I am a board-certified pediatric neurologist with more than 20 years of experience and in active clinical practice. I am a Diplomate of the American Board of Psychiatry and Neurology, with Special Qualification in Child Neurology. I currently hold faculty appointments at the University of Illinois College of Medicine and Central Michigan University College of Medicine. For more than 15 years, I have served as an expert witness and have been retained by both plaintiff and defense counsel. I have testified in more than 200 depositions and more than 25 trials nationwide.
